Not Applicable

29. Site Details: Please submit, with this application, a detailed drawing drawn to scale, with a maximum size of 11” by 17”, with METRIC dimensions, showing the following:

(Please note: the application may not be deemed completed if all required information is not shown.)

Required Information:

- _____ The boundaries and dimensions of the subject land
- _____ The location, dimensions and type of all existing and proposed buildings/structures on the subject land and on abutting lots, indicating the distance of the buildings/structure from the front lot line, rear lot line and site yard lot lines.
- _____ The approximate location of all natural and artificial features on the subject land and on abutting lots, including distances to these features. Examples include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells, hydro or utility lines, etc.)
- _____ Minimum Distance Separation distances should be shown on the sketch if this calculation is required due to proximity of livestock facilities and sensitive uses.
- _____ The location of all existing and proposed wells, septic systems and tile beds on the subject property and on adjacent lands, and the distances from septic systems and tile beds to existing and proposed buildings, water supplies, property lines, lakes, rivers, watercourses, wells, etc. Please also attach a copy of the Certificate of Approval for the septic system, if available.
- _____ The current uses on all adjacent lots.
- _____ The location, width and names of all road allowances, rights-of-way, streets or highways within or abutting the subject property, indicating whether they are public travelled roads, private roads, seasonal, opened or unopened road allowances.
- _____ The location and nature of any easements or restrictive covenants affecting the subject lands.
- _____ The location and dimensions of all parking and loading spaces on the subject property, both existing and proposed.
- _____ Details on all existing and proposed landscaping features on the site.

PLEASE NOTE:

- 1. The Township reserves the right to request, at any time, that the applicant provide a locational survey drawn by an Ontario Land Surveyor to clarify details of the application.***
- 2. The approval of a Zoning Amendment by the Township of Drummond/North Elmsley does not relieve the property owner from complying with the requirements of the Ontario Building Code.***
